ABOUT THE NEW CENTURY SCHOOL

The New Century School (TNCS) is an independent school located in Baltimore, Maryland. TNCS's mission is to challenge students to realize their richest individual potential through progressive multilingual education and meaningful participation in the world community.

The school year comprises four quarters and runs 181 days. Daily academic subjects for all students in Kindergarten through 8th grade include mathematics, science, English language arts, global studies, Spanish, and Mandarin Chinese. Additional weekly and biweekly subjects include music, performing arts, visual arts, and physical education.

TNCS cultivates self-motivation and focuses on developing character. TNCS's Core Values are: compassion, courage, respect, and service.

Comment Q1				
<p>It has been a pleasure getting to know [redacted] who exhibits a positive outlook and attitude in the classroom and regularly engages in discussions collaboratively. [redacted] can be counted on to be one of the first students to begin working on the task that is given. [redacted] has been making solid strides in the classroom and consistently completing in a timely manner. [redacted] has gained greater confidence and I've enjoyed watching them adopt a leadership role.</p>
